

Certification & Training/Internship

- Google AI-ML Virtual Internship.
- Google GenAI Study Jam.
- NVIDIA Getting Started with Deep Learning

SUMMARY

A highly motivated and dynamic engineering graduate with a passion for working in challenging environments to apply my skills and contribute to organizational growth. I have gained knowledge and hands-on experience in AI/ML, Machine Learning, Generative AI, and Deep Learning. Additionally, I am expanding my expertise in web development technologies and Data Structures & Algorithms.

Technical Skills

Subjective knowledge: (OOPS) Object-Oriented Programming, Artificial Intelligence, Machine Learning, Data Structures & Algorithms.

Languages: Java frontend and backend, Python, HTML, CSS, JavaScript, Hands-On React.js knowledge

Understanding of: Windows, MySQL, Database Management System, Java Full Stack Development.

Projects Undertaken

- **E-commerce website** It is a fully responsive website made using HTML, CSS, JavaScript and others.

Additional Courses

- C programming for beginners- Masters of C Language by Udemy
- Beginning C++ Programming – From Beginners to Beyond by Udemy
- Attended UI/UX for App Development, FIGMA workshop organized by Cherry+ Network SRMIST.

Professional Body Memberships.

- IEEE
- IEEE Computer Society
- IEI- The Institution of Engineers (India)

Positions Of Responsibility

- **Associate at Next Tech Lab** – Next Tech Lab is SRM University's first student-run lab, has 400+ members from 8 departments working in AI, IoT, Computational Biology, Electrical Systems, Extended Reality, and Cryptocurrency. It promotes student-led innovation with global advisors from MIT, Cambridge, and Google Brain. The lab won Silver in the 2018 QS Reimagine Education Awards for Student-Led Innovation at the Wharton School.
- **Associate Director at NSCC SRM** - Newton School Coding Club (NSCC) at SRMIST is a thriving coding community focused on building industry-relevant skills. We foster innovation, preparing members to excel from day one. NSCC empowers students with cutting-edge knowledge and connects them with industry leaders, turning aspirations into reality through code.
- **Head of Marketing at IEEE CS SRMIST** - IEEE Computer Society SRM is a student-driven chapter focused on advancing computing knowledge. We offer workshops, hackathons, and industry collaborations to equip members with tech skills. With a focus on innovation and leadership, we aim to prepare students for the ever-evolving tech industry and drive future advancements.
- **Editorial Board Incharge (School Parliament)**- Served as Editorial Board Incharge in the School Parliament, overseeing the creation and publication of school newsletters, magazines, and reports. Led a team of writers and editors, ensuring high-quality content and timely submissions. Collaborated with teachers and students to highlight school achievements and foster a culture of creativity and communication.

● **Committee Member at Aaruush** - Aaruush is the official student-run Techno-Management Fest of SRM IST, Chennai, with 14 domains covering fields like Architecture, Medical Sciences, Robotics, and Entrepreneurship. Supported by 12 committees, Team Envision, and Team Outreach, Aaruush hosts workshops, expos, conferences, and non-profit initiatives, aiming to advance society. The fest attracts over 72,000 attendees and has a 60,000+ online following.

Extra Curricular Qualifications

● **Sangeet Prabhakar Certification – Prayag Sangeet Samiti, Allahabad**

Completed the six-year Sangeet Prabhakar program at Prayag Sangeet Samiti, Allahabad, earning a degree equivalent to a Bachelor's in Music. Achieved First Division with Distinction in Guitar, demonstrating advanced proficiency in music theory and performance.

● **Senior Diploma Certification in Violin - Prayag Sangeet Samiti, Allahabad**

Completed the 4-year Senior Diploma in Hindustani classical music with a specialization in violin from Prayag Sangeet Samiti. Achieved First Division, demonstrating a high level of proficiency in music theory and violin performance. The certification is widely recognized by state governments, universities, and educational bodies as a significant qualification in the field of music.

Academic Qualification

Class XII (Science) : RAN Public School, Rudrapur, Uttarakhand in 2023 with 88.6%

Class X : RAN Public School, Rudrapur, Uttarakhand in 2021 with 94.4%

Personal Details

Date Of Birth	27 th December 2005
Gender	Male
Language known	English, Hindi, German

Villa F-28 Metropolis City, Rudrapur, Uttarakhand,
